Supply List

Hand Stitching Supplies (if choosing to appliqué by hand):

Needle: Size 12 quilting/between, or your choice (It doesn't have to be an appliqué needle—it just needs to be sharp.)

Thimble: ThimblePad or Nimble the Soft Thimble, or thimble of your choice

Elmer's® School Glue

Sewing Machine Supplies (if choosing to appliqué by machine):

Select a sewing machine foot that allows a clear view of the needle piercing the fabric.

Straight or zigzag stitch

Sew with a reduced stitch length. (For example, if your normal stitch length is 2.5, reduce it to 2, making it easier to stitch around the shapes.)

Optional:

- #8254 - Clover Appliqué Pins

Stabilizer for background fabric: Pellon® Easy-Knit™ fusible interfacing, 9" x 10½". (It generally comes 21" wide. Cut a 9" length and then cut the 21" width in half, resulting in two pieces.)
